

CAMERON DAVIES

11 Creston Crescent NW Calgary, T2N 4J9
(403)-616-3143 • Cameron.Davies@uCalgary.ca

EDUCATION

Bachelor of Science, Computer Science (Cons. Software Engineering); (2020)
Minor in Applied Mathematics;
University of Calgary

SKILLS & EXPERTISE

Team-work: With over six years working in team-dominated industries, I've developed a strong team oriented work ethic devoted to working the most efficiently in any environment.

Communication: Highly effective written and verbal communication skills developed through working at Starbucks, Earls, various volunteer work through the Residence Student Association (RSA), and the department of Computer Science.

Critical Analysis: Strong foundation in critical analysis and problem solving, developed through computer science mathematics, and philosophy classes, projects and assignments.

MS Office: Effective knowledge of all Microsoft Office applications, obtained through computer science classes, working at Earls, and working for the Residence Student Association.
